

HCM4010 : Leadership in Healthcare Organizations - Internship

The internship experience is designed specifically to enable the student to apply classroom knowledge to the work environment, and to better prepare the student to enter the healthcare industry. This course is a faculty supervised and evaluated field experience in healthcare management, with a major project as an end product. Students will work with Career Services or the appropriate department designee to identify a potential internship site location. Once an acceptable organization and site supervisor are found, South University must approve the organization to be utilized for this purpose. The Site Manager, student, and Faculty Coordinator, as defined in the College of Business Internship Courses Student Handbook, arrange for the student to have an opportunity to realize the goals and objectives and apply competencies of this course to real life situations. Please refer to the Internship Learning Agreement in the College of Business Internship Courses Student Handbook for further information regarding requirements prior to participating in an internship. Minimum of 120 contact hours. This course is Pass/Fail.
