

MIN7062 : Communication Skills for Ministry

Participants in this course will learn the basic theory of communication and develop skills in the practices of effective communication for ministry leaders. The theoretical foundations will draw on biblical and theological resources as well as contemporary communication theory. A variety of communication forms will be addressed, including preaching, teaching, one-on-one, small groups, writing, and social media. Attention will also be given to the communication needs of different audiences and to the dynamics of cross-cultural communication.
