

# NSG4057\_P : Caring for Children - Practice

This course is designed to provide the student with the clinical application of [NSG4056](#). Supervised clinical experience takes place with children of various ages both in acute care and community settings. The students learn to care for children within the framework of holism and caring. Components of Professionalism (competency legal, ethical, political, and economic issues) and Critical Thinking are incorporated throughout this course to enable students to integrate theory and practice. The student must receive a satisfactory clinical evaluation in order to receive a passing grade for this course. Course final grade is Pass or Fail (P/F).
