

# MPA6110 : Management of Non-profit Organizations

This course explores the history, growth, and evolution of nonprofit organizations and examines the critical management and leadership challenges facing the professional manager in the nonprofit sector. Topics may include the role of the executive team, board of directors, full-time staff, and volunteers in identifying and realizing the mission of a nonprofit organization. In addition, students will study the legal framework and requirements for nonprofit organizations including those pertaining to lobbying and electoral politics.
