

PHE6404 : Grant and Contract Proposal Writing in Public Health

This course examines the strategies and execution of grant and proposal writing as well as contract administration in the public health sectors. Topics may include research into funding sources, use of prospectus documents, preparation competitive proposals for grants and contracts, and peer review. Students will engage in all aspects of grant and proposal writing, including how to efficiently and effectively describe research and program design, outcomes, objectives and methodology, data management, evaluation, and budget development applied to the preparation of an actual proposal. Students will also examine the contract administrative responsibilities resulting from successful grants and contracts, including monitoring and reporting program and fiscal data.
