

# Payment of Tuition and Fees

All charges are due and payable on or before the start date of each quarter. For students in Online Programs, all charges are due and payable on or before the start date for each course. Circumstances which prevent a student from adhering to these dates should be discussed with the business office. Students attending school under a grant or loan should confer with the director of financial aid concerning the payment of fees; students attending school under the G.I. Bill® can discuss payment of school fees with the director of financial aid.

Please visit our Student Consumer Information page to find the average time to completion for continuously enrolled students for each credential level offered. This data is available at the average credit load, full-time or at full load. Changing programs, taking remedial courses, taking time off from coursework, registering for fewer hours or unsuccessful attempts at course completion will increase the total length of the program and overall cost of education from what is disclosed. Transfer credits awarded toward your program will likely decrease the overall length and cost of education.
