The University's Austin campus is conveniently located off Louis Henna Blvd. the intersection of I-35 and TX-45 in Round Rock just north of Austin. The facility includes faculty offices, lecture classrooms, and computer lab space. To enhance students' learning experience, the Austin campus is equipped with wireless internet access, video conferencing equipment, "smart" classroom technology, and student computer labs.

The Austin campus library provides scholarly resources and information services to support the curriculum and programs of the University, foster academic and professional research by the University community, and facilitate critical thinking and life-long learning by students. The library provides comfortable seating and study space for students, wireless capabilities for laptop network connectivity, and reference and interlibrary loan services. The open-stack book collection provides access to reference and circulating materials, and program specific resources to support class assignments. An online library portal with access to over 60 databases in all disciplines is available electronically 24/7 on and off campus to all authorized students and faculty. More than 50,000 digital textbooks, video clips, images and full text dissertations are also included in the library offerings.

South University, Austin offers students a broad-based core curriculum designed to promote critical thinking and effective verbal and written communication. The Austin campus provides a comprehensive education and gives students an opportunity to experience a philosophy that values both learning and a contribution and commitment to the advancement of community.
