

NSG7221 : Practice Immersion Experience I

This course allows students the opportunity to complete 180 practice hours of the required 1000 post-baccalaureate hours for completion of a Doctoral Nursing Program. Students complete post-baccalaureate practice experiences to enhance their skills as practitioners of nursing. Students work with an approved mentor to gather the experience required for a terminal degree in nursing. The course provides opportunities to help students assimilate knowledge for advanced specialty practice.
