

NSG7223 : Practice Immersion Experience III

This course allows students the opportunity to complete 120 practice hours of the required 1000 post-baccalaureate hours for completion of a Doctoral Nursing Program. Students complete practice post-baccalaureate experiences to enhance their skills as practitioners of nursing. Students work with an approved mentor to gather the experience required for a terminal degree in nursing. The course provides opportunities to help students assimilate knowledge for advanced specialty practice.
