

# Allied Health Science

## Degree Type

Associate of Science (AS)

## Admission Requirements

### General Undergraduate Admission Requirements

*Note: Not all Online Program offerings are available to residents of all U.S. states. Please contact an admissions representative for further information.*

To be admitted to any of the undergraduate programs at South University, the prospective student must provide proof of high school graduation as recognized by the state of residence on the date the degree was earned, or the equivalent (e.g. GED with no single test score below 145 or numeric score equivalent to 2.0 on old version or state-issued certificate designated as the equivalent of a High School Diploma) with a minimum CGPA of 2.0 on a 4.0 scale. The prospective student must also complete the university administered placement tests prior to the start of the first quarter for campus students and during the first session of attendance for online students. South University accepts the International Baccalaureate Program diploma as meeting the requirement for high school graduation. Credentials earned outside the United States must be evaluated by a NACES or AICE-member credential evaluation service. Please speak with an admissions representative for more information.

Students with less than the minimum CGPA of 2.0 on a 4.0 scale may meet admissions requirements by submitting a minimum combined SAT (Evidence-Based Reading and Writing, and Math) score of 700 or 900 on the old SAT, a combined ACT score of 18, or a satisfactory score on the university-administered admissions examination (see the Admissions Office) or meet the criteria established for acceptance as a transfer student.

Students with less than the minimum CGPA of 2.0 on a 4.0 scale may be admitted provisionally for two quarters. Failure to achieve a 1.5 CGPA in the first two quarters of attendance will result in dismissal. Students may appeal the dismissal by following the Procedures for Appealing Academic/Financial Aid Dismissal Policy.

To facilitate the admissions process, unofficial documentation, such as copies of transcripts or grade reports, may be used to determine admission status. Transfer status cannot be designated, however, without some verifying documentation. Admissions test scores on university administered entrance exams will not be accepted from other universities. Prospective students must take a University administered admission exam, like the Accuplacer, at South University.

A student's failure to provide acceptable verification of proof of high school graduation within 5 weeks from the start date will result in the following:

- Removal from class
- Cancellation of enrollment
- No final course grades
- No transcript

*NOTES: Students who do not provide proof of high school graduation within the 5 week period will not be responsible for any tuition and related fees.*

*South University may grant exceptions to the 5 week period for unusual situations or circumstances. All exceptions must be submitted to the office of the University Registrar for approval.*

Please see the policy on GPA Calculation for Admission for additional information

## Admission of Transfer Students

*Note: Not all Online Program offerings are available to residents of all U.S. states. Please contact an admissions representative for further information.*

To be eligible for admission, transfer students must complete the application procedures and satisfy the following criteria:

1. Submit a completed application for admission.
2. Have earned 24 or more credit hours, or the equivalent (e.g. 16 semester hours), with a cumulative GPA of 2.00 from an acceptable accredited collegiate institution.
3. Submit official transcripts (including verifiable faxed transcripts) from all colleges and universities attended.
4. Submit self-certification of high school graduation or GED completion.

For transfer of credit practices refer to the applicable section under the [Academic Affairs](#) section of this catalog.

Transfer students accepted into South University who have earned 24 or more quarter credit hours or the equivalent (e.g. 16 semester hours), with a cumulative GPA of 2.00 from an acceptable accredited collegiate institution, and who are not required to take ENG0099 and/or MAT0099, will be exempt from taking the UVC1000 Strategies for Success. Students will select another 4 credit course in consultation with their Academic Advisor or Academic Counselor to fulfill the degree requirements.

Transfer students will be exempted from developmental courses on the basis of grades earned in credit bearing English or mathematics courses transferred to South University, if applicable, or SAT or ACT, or scores on the University administered entrance exam only if the exam was taken at South University.

Students with 24 or more quarter credits with less than a 2.0 GPA may be admitted provisionally for two quarters. Failure to achieve a 1.5 GPA in the first two quarters of attendance will result in dismissal. Students may appeal the dismissal by following the Procedures for Appealing Academic/Financial Aid Dismissal Policy.

Students who are citizens of countries other than the United States should refer to the section entitled International Student Admissions Policy.

Students who are transferring from or to a school within the University of North Carolina or the North Carolina Community College System should be aware of the Comprehensive Articulation Agreement approved by both governing Boards on March 1, 1996 and revised in September of 2008. This agreement may be found in its entirety at the following [website](#).

For additional admissions information please see the admissions section [here](#).

## Program Overview and Outcomes

*Offered at Austin, High Point, Montgomery, Online Programs, Orlando, Richmond, Savannah, Tampa, Virginia Beach, and West Palm Beach.*

*Note: Not all Online Program offerings are available to residents of all U.S. states. Please contact an admissions representative for further information.*

The Associate of Science in Allied Health Science degree program is designed to expose students to a broad education in general studies combined with an emphasis on life science subjects such as anatomy and physiology,

chemistry, nutrition, and pathophysiology. It offers students interested in health careers a knowledge base from which they may achieve their professional goals. Students within this program may consider entry into the Bachelor of Science in Health Sciences or other professional programs upon graduation.

## Program Student Learning Outcomes

Graduates should be able to:

1. Utilize principles of the natural, social, behavioral, and health sciences to serve as competent, ethical, and compassionate healthcare professionals.
2. Demonstrate effective written, oral, and interpersonal communication skills in healthcare environments.
3. Apply critical thinking skills to develop solutions for healthcare system issues and challenges.
4. Effectively research, analyze, and report on a wide range of healthcare related topics.

## Associate of Science in Allied Health Science: 90 Credits

*For students enrolled prior to January 2024.*

### Area I General Education Requirements: 40 Credits

#### Professional Development

Course Code	Title	Credits
ITS1000	Computer and Internet Literacy	4.0
UVC1000	Strategies for Success	4.0

#### Basic Communications

Course Code	Title	Credits
ENG1100	Composition I	4.0
ENG1200	Composition II	4.0
ENG1300	Composition III	4.0

Choose one additional course from the list below:

Course Code	Title	Credits
COM2006	Interpersonal Communication	4.0
SPC1026	Public Speaking	4.0

#### Mathematics and Statistics

Course Code	Title	Credits
MAT1005	College Algebra II	4.0

## Natural Sciences

Course Code	Title	Credits
CHM1010	General Chemistry	4.0

## Arts and Humanities (choose one)

Course Code	Title	Credits
ENG2002	World Literature I: From the Ancient World to the Middle Ages	4.0
ENG2003	World Literature II: From Enlightenment to Modernity	4.0
ENG2011	Introduction to American Literature: 1865 to present	4.0
HIS1101	U.S. History I: Colonial to 1865	4.0
HIS1102	U.S. History II: 1865 to Present	4.0
HUM1001	History of Art through the Middle Ages	4.0
HUM1002	History of Art from the Middle Ages to Modern Times	4.0
HUM2101	World Civilization I: Prehistory to 1500 C.E.	4.0
HUM2102	World Civilization II: 1500 to Present	4.0
REL1001	World Religions	4.0

## Social and Behavioral Sciences (choose one)

Course Code	Title	Credits
ECO2071	Principles of Microeconomics	4.0
ECO2072	Principles of Macroeconomics	4.0
POL2076	American Government	4.0
SOC1001	Introduction to Sociology	4.0
SOC2010	Social Problems	4.0

## Area II Foundation Requirements: 20 Credits

Course Code	Title	Credits
AHS1001	Medical Terminology	4.0
MAT2058	Statistics	4.0
	<b>Choose one additional Mathematics (MAT) course other than MAT1005 College Algebra II or MAT2058 Statistics</b>	<b>4</b>
PHI2301	Introduction to Philosophy	4.0
PSY1001	General Psychology	4.0

## Area III Major Requirements: 30 Credits

Course Code	Title	Credits
	<b>BIO1011 and BIO1012</b>	<b>6</b>
BIO1011	Anatomy and Physiology I	4.0
BIO1012	Anatomy and Physiology I Lab	2.0
	<b>BIO1013 and BIO1014</b>	<b>6</b>
BIO1013	Anatomy and Physiology II	4.0
BIO1014	Anatomy and Physiology II Lab	2.0
BIO2015	Human Pathophysiology	4.0
	<b>BIO2070 and BIO2071 or BIO2073</b>	<b>6</b>
BIO2070	Microbiology	4.0
BIO2071	Microbiology Lab	2.0
BIO2073	Microbiology Laboratory	2.0
NTR2050	Nutrition	4.0
PSY2022	Human Growth and Development	4.0

## Associate of Science in Allied Health Science: 90 Credits

*For students enrolled on or after January 2024.*

### Area I General Education Requirements: 44 Credits

#### Professional Development

Course Code	Title	Credits
UVC1000	Strategies for Success	4.0

#### Basic Communications

Course Code	Title	Credits
ENG1100	Composition I	4.0
ENG1200	Composition II	4.0

Choose one additional course from the list below:

Course Code	Title	Credits
